Town of Cave Creek Green Waste Drop-off Days

In an effort to support the community in creating defensible space in their yards for fire prevention, the Town of Cave Creek is hosting drop-off days for residents (only) to discard green waste. The first event will take place on February 20th from 8am-noon at 4300 E Carefree Highway. As part of the Town's Defensible Spaces efforts, we're hosting these drop-off events to help you haul away green cuttings and debris such as weeds, leaves, brush and small branches.

Come prepared with proof of Cave Creek residence (driver's license, utility bill, addressed piece of mail) and be prepared to unload the debris once you arrive. Cave Creek staff will take it from there.

Dates: February 20th & March 20th

Duration: 8am- noon

Location: Cave Creek Wastewater Treatment Plant
4300 E Carefree Hwy
Cave Creek, AZ 85331

What will be accepted:

- Leaves
